

HERE'S THE SCOOP ABOUT POOP!

The Department of Leisure, Family, and Recreation alongside our Neighborhoods and Families Division, wants to welcome you to our **Pet Waste Management Initiative**. The Town of Manchester felt a need to decrease the amount of pet waste left in our parks, schools, and neighborhoods where dog walking traffic is high. To combat this issue our department has installed various **Pet Waste Bag Dispensers around the Town**. The dispenser allows you to use a free bag for your pet's waste when you do not have any accessible, as well as encourages dog owners to pick up after their pet. Look around for dispensers with our **K9 Cleanup** logo!

DOG FRIENDLY COMMUNITY

PROGRAMS FOR YOU AND YOUR DOG TO ENJOY!

- **DOG BARKET:** Bring your dog to our a K-9 focused farmer's market and interact with the local dog-focuses businesses CT has to offer. Complementary treats will be provided, as well as crafts to create with your dog!
